

A resident-based, action-oriented community group focused on strengthening and improving the community of Northeast London.

## UPCOMING EVENTS IN THE COMMUNITY

### Your Ideas Your Vote

### Neighbourhood Decision Making

A program of the City of London that offers community members of all ages the opportunity to directly decide how to spend a portion of the municipal budget in their neighbourhoods.

#### Who can participate?

**Any Londoner of any age** can participate in all steps of the process - from idea submissions to voting. This is a great way to educate our youth on the importance of the voting process.

#### How do I submit an idea?

To officially submit your idea into the program, go to <https://getinvolved.london.ca/NDM> and follow the steps. There is an idea bank available on that website, which outlines potential ideas and how much they cost. Northeast London will be allocated \$50,000.

**Check out the idea for the Gazebo behind Beacock Library! And many others to consider...**

- |  |                   |
|--|-------------------|
| • Timeline item 1: Idea Submissions                | April 23 - May 22 |
