

The London InterCommunity Health Centre seeks dynamic **Primary Care Physicians** to join our clinical team dedicated to providing health care to those who experience barriers to care; those impacted by homelessness, mental illness, addiction, poverty, language barriers, and complex and/or chronic health conditions, new immigrants and refugees. These positions are available part time, full time or locum with unique benefits of a salaried model; no overhead costs and no OHIP billings or billing expenses.

Participate in challenging and interesting medicine within a learning environment working alongside and consulting an experienced team of physicians.

Bring meaning to your work and make a difference in the lives of vulnerable and marginalized populations. Enjoy having the time required to work with clients and the underlying social determinants of health that impact their well-being.

Experience what a collaborative team can accomplish supported by on-site allied health services; social work including same day services, physiotherapy, dietitians, case managers and more.
